

1A Smart Start, LLC Partners with M.E.S.A. to Expand Ignition Interlock Access

10/6/2023

FOR IMMEDIATE RELEASE

Grapevine, TX – [Smart Start](#), a leading provider of Ignition Interlock Devices in the United States and Globally, today announced a new partnership with [M.E.S.A.](#) (Mobile Electronic Specialists of America), a member-owned retailer marketing and buying group in the 12-volt industry. The group is made up of retailers who meet the criteria for membership and vendors who support the independent channel of distribution. This partnership will make Smart Start Ignition Interlock Devices more accessible to drivers across the country.

Under the terms of the agreement, M.E.S.A. will offer Smart Start services at its participating locations nationwide. This will provide drivers with more convenient and affordable options for obtaining and maintaining their Ignition Interlock Devices.

“We are excited to partner with M.E.S.A. to make our Ignition Interlock Devices more accessible to drivers across the country,” said Bob Gallup, Chief Revenue Officer of Smart Start. “M.E.S.A. is a trusted and respected name in the automotive electronics industry, and we are confident their customers will appreciate having the option to obtain and maintain their Smart Start Ignition Interlock Devices at M.E.S.A. locations.”

Our partnership with Smart Start Ignition Interlock Devices is the best way for our Members to get into this space or expand their reach in their market. The Smart Start team and product is a perfect fit for M.E.S.A. and our Members,” said Ryan Gunter, Executive Director of M.E.S.A.

The partnership between Smart Start and M.E.S.A. is a significant step forward in the fight against drunk driving. By making it easier for drivers to obtain and maintain their Smart Start Ignition Interlock Devices at convenient locations with exceptional service, the partnership will help more drivers get the help they need to stay safe on the road.
