### Instructions

- You may apply to the Division of Vehicles for a determination on whether you are eligible to have your alcohol or drug related suspension or revocation modified to operate a motor vehicle equipped with an ignition interlock device. To be eligible for this modification you must meet the following criteria, **otherwise your request will be denied:**
  - Include a \$100 non-refundable fee with the application
  - Your driving privileges must be suspended as provided in subsection (a), (b) or (c) of K.S.A. 2011 Supp. 8-1014, and amendments thereto
  - Your driving privileges are not currently suspended, revoked or cancelled for a non-alcohol or drug related occurrence
- **If your suspension or revocation was imposed or occurred prior to July 1, 2011:**
  - You may apply to modify your current permanent alcohol or drug related revocation. If approved, you may receive credit for previously served suspension or revocation time served in excess of one year. The basis for suspension or revocation must spring from K.S.A. 2011 Supp. 81014, or amendments thereto.
  - The requirements for crediting served suspension time (exceeding the first year of suspension) against the ignition interlock restriction period, are: 1) the applicant's driving record indicates no driving by the applicant during the applicable suspension or revocation period; 2) the applicant completes this form indicating that the applicant did not drive during the applicable suspension or revocation period; and 3) the applicant pays the appropriate fee.
- You will receive written notice of your application being approved or denied. If approved, you will be required to provide proof of installation of a State-approved ignition interlock device before a restricted driving privileges are issued. If the application is denied, the reason(s) for the denial will be stated.
- Please be advised, any time spent serving a restriction to ignition interlock with modified driving privileges does not count towards ignition interlock periods that follow the modified period.
- If you are a commercial licensed driver and your commercial driving privileges are currently disqualified, the modification and restriction will only apply toward your regular driving privileges. Your commercial driving privileges will remain disqualified.
- If this application is denied, any subsequent application will require another nonrefundable \$100.00 application fee.
- Modifications do not apply to suspensions for drivers who are under 21 with a BAC under .08.
- Suspension and ignition interlock periods beginning July 1, 2011:
